## C3, 2 on 2 With Forwards Attacking Wide from Below the Hash

## **Key Points:**

Defense must keep their heads on a swivel and sticks in the passing lanes. Control the attackers sticks in the slot. It is a battle to gain the net side between the attackers and defenders. Attackers protect the puck. Defenders stick on the puck and body on body.

## **Description:**

Practice the offensive and defensive skills of a 2-2 with the forwards wide and starting behind the hash marks. The D has to communicate while seeing the puck and their man. Forwards protect the puck, cross and fight for rebounds.

- 1. Forwards start from the wide lane along the boards.
- 2. Defense start from the middle lane above the hash marks.
- 3. Play until a scoring chance and rebound. If the puck is shot out the coach puts in another puck.
