

D1 Full Ice All Play – Two Puck Game

Key Points:

Everyone plays shinny style.

Description:

1. All play at the same time. Coach has three pucks.
2. Use two pucks and throw another on the ice when one is scored.
3. Leave the pucks in the net. Count pucks when all three are scored.
4. When the goalie freezes the puck the attackers back up behind the hash marks.

*** Only one shot at a time. If the goalie isn't watching then a goal doesn't count.**
